

### **My Child has Autism**

I AM SORRY IF THEIR BEHAVIOR BOTHERS YOU

Please understand that children with Autism sometimes display behavior that others may find disturbing when they feel overwhelmed by their sensory integration deficits. You can help by visiting

[www.cdc.gov/ncbddd/autism/index.html](http://www.cdc.gov/ncbddd/autism/index.html)

For a personal account on life with Autism, please visit

[www.GanjinehFoundation.org](http://www.GanjinehFoundation.org)
